Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Stanislaus Council of Governments' (StanCOG) Administrative Modification No. 12 to their 2008/09-2011/12 Federal Transportation Improvement Program (FTIP). This administrative modification includes projects funded from various programs including the American Recovery and Reinvestment Act of 2009.

StanCOG submitted these changes consistent with the Federal Statewide Transportation Improvement Program (FSTIP) Amendment and Administrative Modification Procedures. Since administrative modifications do not require Federal Highway Administration or Federal Transit Administration approval, this administrative modification has been included in California's 2009 FSTIP.

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

RE: Administrative Amendment #12 (Type 1) to the Stanislaus Council of  
Government's 2009 FTIP

Mr. Aljabiry:

The Stanislaus Council of Governments (StanCOG) Policy Board has authorized its Executive Director to approve Administrative Amendment #12 to StanCOG's 2009 FTIP. The purpose of this letter is to notify Caltrans, FHWA and the FTA that an administrative amendment has been authorized and approved. A summary of changes to projects listed in the 2009 FTIP is attached as well as each project's corresponding CTIPS page. The financial tables have also been revised to reflect funding changes.

Modifications included in this Administrative Amendment meet the criteria identified in the letter issued by FHWA on November 17, 2008, regarding revised Federal/Statewide Transportation Improvement Program Modification Procedures. Per these "Procedures", StanCOG is issuing "minor" changes related to project cost, selection or programming that do not interfere with the timely implementation of any approved TCMs project. None of the project modifications within this amendment require a re-determination of the air quality conformity analysis. Administrative Amendments to the FTIP used in lieu of Formal Amendments are not subject to FHWA approval.

Administrative Amendment #12 modifies the Stanislaus County Regional Transit's (StaRT) GenFare Boxes (CTIPS ID 214-0000-0453) by reducing the total project cost from \$383,000 to \$123,176. The 5311(f) funds preceded the enactment of SAFETEA-LU and require a 17% local match. The County's local match is in accord with the 17% local match requirement. Additionally, this amendment modifies the City of Modesto's and the City of Turlock's RSTP eligible road maintenance/improvement sections. The new road segments have been incorporated into the existing agency's RSTP lump sum

street and road list and are highlighted for your records. Finally, this amendment swaps funding for the City of Oakdale for the Maag & D Street project from RSTP to ARRA.

This Administrative Amendment is in accord with Caltrans' Administrative Modification policy as the funding modification does not exceeded 25% of total project cost nor \$5,000,000 for a single modification.

If you have questions or comments regarding this Amendment, please contact Scott Philips, Interim Senior Planner at ([swphilips@stancog.org](mailto:swphilips@stancog.org)) or via telephone at 209-525-4600.

Sincerely,

Vince Harris  
Executive Director

**TO:** Policy Board **Staff Report**  
**Information**

**FROM:** Vince Harris, Executive Director

**DATE:** December 1, 2009

**RE:** Amendment #12 to the 2009 Federal Transportation Improvement Program (FTIP) - Type 1 Administrative Amendment

---

### **Background**

As the designated Metropolitan Planning Organization for the Stanislaus Region, StanCOG is responsible for managing state and federal funds through a document called the Federal Transportation Improvement Program, or FTIP. This document contains the entire list of projects to which state and federal funds have been awarded through StanCOG, CalTrans, or other grantor agencies. The Policy Board adopted the 2009 FTIP on January 29, 2008.

Occasionally the FTIP must be amended to add new projects, modify project descriptions, change funding amounts, modify program-funding year, or delete existing projects. The Policy Board has provided StanCOG's Executive Director the authority to make minor changes to the FTIP. These minor modifications include Type 1 Administrative Amendments. Type 1 Administrative Amendments are minor changes to the FTIP that must be in accord with the following FHWA criteria:

1. Revise a project description without changing the project scope or conflicting with the environmental document;
2. Revise the funding amount listed for a project's phases. Additional funding is limited to the **lesser of either** 25% of the total project cost or \$5 million;
3. Change the source of funds;
4. Change a project lead agency;
5. Splits or combines individually listed projects; as long as cost, schedule, and scope remain unchanged;
6. Changes required information for grouped project (lump sum) listings; or,
7. Adding or deleting projects from grouped project (lump sum) listings as long as the funding amounts stay within the guidelines in number two above.

Administrative amendments can be processed in accordance with these procedures provided that:

1. It does not affect the air quality conformity determination, including timely implementation of Transportation Control Measures (TCMs), **and**
2. It does not impact financial constraint.

### **Discussion Items**

Administrative Amendment #12 modifies the Stanislaus County Regional Transit's (StaRT) GenFare Boxes (CTIPS ID 214-0000-0453) by reducing the total project cost from \$383,000 to \$123,176. The local match will be reduced from \$282,869 to \$23,044. Federal funding will not be modified. The 5311(f) funds preceded the enactment of SAFETEA-LU and require a 17% local match. The County's local match is in accord with the 17% local match requirement. This amendment also modifies the City of Modesto's and the City of Turlock's RSTP eligible road maintenance/improvement sections. The new road segments have been incorporated into the existing agency's RSTP lump sum street and road list and are highlighted for your records. Finally, this amendment swaps funding for the City of Oakdale for the Maag & D Street project from RSTP to ARRA.

By definition StanCOG has issued a "minor" modification related to the project's cost. This "minor modification" does not interfere with the timely implementation of any approved TCMs nor does it require a re-determination of the air quality conformity analysis. Administrative Amendments to the FTIP used in lieu of Formal Amendments are not subject to FHWA approval.

Administrative Amendment #12 to the StanCOG 2009 FTIP has been determined to be exempt from the requirement that an air conformity determination or regional emissions analysis be conducted per 40 CFR 93.126; .127; or .128. Exempt projects require no additional conformity determination. Additionally, the project presented in Amendment #6 does not interfere with the timely implementation of approved TCMs.

A copy of Administrative Amendment #12 is attached; a copy of Administrative Amendment #12 is also available on the StanCOG web site at [www.stancog.org](http://www.stancog.org).

If you have questions or concerns regarding this amendment, please call Vince Harris, Executive Director at (209) 525-4600.
