Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Stanislaus Council of Governments' (StanCOG) Administrative Modification No. 8 to their 2010/11-2013/14 Federal Transportation Improvement Program (FTIP).

StanCOG submitted these changes consistent with the Federal Statewide Transportation Improvement Program (FSTIP) Amendment and Administrative Modification Procedures. Since administrative modifications do not require Federal Highway Administration or Federal Transit Administration approval, this administrative modification has been included in California's 2011 FSTIP.

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

RE: Administrative Modification #8 (Type 1) to the Stanislaus Council of Government's
2011 FTIP

Mr. Aljabiry:

The Stanislaus Council of Governments (StanCOG) Policy Board has authorized its Executive Director to approve Administrative Modification #8 to StanCOG's 2011 FTIP. The purpose of this letter is to notify Caltrans, FHWA and the FTA that an administrative modification has been authorized and approved. A summary of changes to projects listed in the 2011 FTIP is attached as well as each project's corresponding CTIPS page. Our next FTIP formal amendment will update the financial plan to reflect the actual funding to support the added programming capacity.

StanCOG certifies that these projects are not included in any other amendment that is currently open for public review.

Modifications included in this Administrative Modification meet the criteria identified in the letter issued by FHWA on November 17, 2008, regarding revised Federal/Statewide Transportation Improvement Program Modification Procedures. Per these "Procedures", StanCOG is issuing "minor" changes related to project cost, selection or programming that do not interfere with the timely implementation of any approved Transportation Control Measure (TCM) project. None of the project modifications within this amendment require a re-determination of the air quality conformity analysis. Administrative Modifications to the FTIP used in lieu of Formal Amendments are not subject to FHWA approval.

Administrative Modification #8 modifies the following projects:

City of Turlock:

- **CTIPS # 114-0000-0155: Landscape Median on Christoffersen Pkwy**

Add: \$6,267 in CON Local Funds in FY 10/11

This Administrative Modification is in accord with Caltrans' Administrative Modification policy as the funding modification does not exceed 25% of total project cost or \$5,000,000 for a single modification. All changes contained within do not modify the region's financial constraint.

If you have questions or comments regarding this Modification, please contact Vince Harris, Executive Director at 209-525-4600.

Sincerely,

Vince Harris
Executive Director
