RE: AB 361 – Continuation of Teleconference Meetings

Agenda Item: [5A]

Background

On March 4, 2020, Governor Gavin Newsom issued a Proclamation of a State of Emergency in response to the outbreak of COVID-19, which remains in effect. Throughout the State of Emergency, the Governor issued a series of Executive Orders to reduce the spread of COVID-19.

On March 12, 2020, the Governor issued Executive Order N-25-20 waiving certain requirements of the Ralph M. Brown Act (Brown Act) making it easier for local agencies to hold public meetings via teleconference. On March 17, 2020, the Governor issued Executive Order N-29-20 which superseded a portion of Executive Order N-25-20 and identified the ability of local agencies to continue with teleconferenced meetings provided certain requirements for public participation were met. On June 11, 2021, the Governor issued Executive Order N-08-21 which continued the waiver of the teleconference provisions in the Brown Act through September 30, 2021.

With the expiration of the Executive Orders, the Legislature introduced Assembly Bill 361 (AB 361), which allows the continued use of teleconferencing if specific requirements are met. On September 16, 2021, the Governor signed AB 361 into law. AB 361 amends section 54953 of the Brown Act and allows a local agency to use teleconferencing without complying with certain provisions of the Brown Act under certain circumstances and if certain findings are made.

AB 361 amends Section 54953 of the Government Code to allow a legislative body of a local agency to meet remotely without complying with the teleconference requirements imposed by the Brown Act such as agenda posting at teleconference locations, physical location access by the public, or establishing a quorum within the boundaries of the agency. The agency may do so in any of the following circumstances:

- (A) A legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.

- (B) The legislative body holds a meeting during a proclaimed state of emergency, for the purpose of determine by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.
- (C) The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

Any boards and committees that are required to comply with the Brown Act that holds a meeting under any of the scenarios identified above must continue to post an agenda within the time periods required by the Brown Act and ensure the public is able to address the board or committee directly through teleconference means. If a technological disruption prevents the board or committee from broadcasting the meeting or receiving public comments in real time, the board or committee cannot take further action until the technological function is restored.

If the proclaimed State of Emergency remains in effect, and if any boards or committees wish to continue meeting under the modified rules, then the board and/or committees must adopt a resolution containing the following findings: (1) the State of Emergency continues to directly impact the ability of the members to meet safely in person; or (2) state or local officials continue to impose or recommend measures to promote social distancing. The board and/or committees must reconsider and reconfirm the findings every thirty (30) days.

If consecutive regular meetings fall outside the 30-day window, the Board and/or committees should hold a special meeting to re-authorize the AB 361 findings. If the Board or committee does not adopt a resolution making the findings required under AB 361, or if the authorization lapses, it will be required to comply with the traditional teleconference rules contained in the Brown Act. In that scenario, StanRTA will be required to post an agenda at each teleconference location, teleconference locations will need to be identified on the agenda and accessible to the public, and a quorum of the Board or committee will need to be established within the boundaries of the agency.

Discussion

AB 361 requires every thirty days, the legislative body reconsider the circumstances of the State of Emergency and related findings and determine if meetings of StanRTA legislative bodies, as that term is defined in the Brown Act, will have the option to continue using teleconference means.

To assist in making the findings, the California Department of Public Health and the Centers for Disease Control and Prevention (CDC), caution the Delta and Omicron variants are more infectious and leading to increased transmissibility when compared with other COVID-19 variants, even in some vaccinated individuals. As a result, the CDC recommended that all individuals, regardless of vaccination status, wear face coverings in indoor public settings in areas of substantial or high COVID-19 transmission. The California Department of Public Health requires face coverings in indoor public settings, regardless of vaccination status. In addition, Cal/OSHA

adopted emergency regulations, including section 3205, identifying physical distancing, face coverings, increased ventilation and respiratory protection decrease the spread of COVID-19 but are most effective when used in combination.

It is recommended that the Board, by Resolution, find: (1) the state of emergency continues to directly impact the ability of members to meet safely in person; (2) state and local officials continue to recommend measures to promote social distancing; and (3) as a result of the state of emergency, meeting in person would present imminent risks to the health or safety of attendees.

The stated findings would apply to all regular and special meetings of the StanRTA Board. The circumstances of the state of emergency and the related findings will be reconsidered every thirty (30) days.

Recommendation

By Motion:

Adopt Resolution 2022-038 Making the Required AB 361 Findings for the Continuation of Teleconference Meetings for the StanRTA Board for the Period January 21, 2022 – February 20, 2022.

WHEREAS, the Stanislaus Regional Transit Authority (StanRTA) is a joint powers agency whose members are the City of Modesto and the County of Stanislaus, and which was created to consolidate transit services countywide with the exception of the City of Turlock; and

WHEREAS, all meetings of StanRTA's legislative bodies are open and public as required by the Ralph M. Brown Act (Government Code §§ 54950 – 54963)(Brown Act) so members of the public may observe, attend, and participate as the StanRTA legislative bodies conduct their business; and

WHEREAS, section 54953(e) of the Brown Act, as amended by AB 361, allows legislative bodies to conduct meetings using teleconferencing without compliance with the provisions of Government Code section 54953(b)(3), subject to certain circumstances and the making of various findings; and

WHEREAS, on March 4, 2020, the Governor issued a Proclamation of a State of Emergency in response to the outbreak of COVID-19 and the state of emergency remains in effect; and

WHEREAS, Cal/OSHA adopted emergency regulations, including section 3205, identifying physical distancing, face coverings, increased ventilation and respiratory protection decrease the spread of COVID-19 but are most effective when used in combination; and

hospitalizations, thereby presenting an imminent risk to the health or safety of attendees of meetings of StanRTA legislative bodies; and

WHEREAS, due to the recent increase in COVID-19 cases throughout Stanislaus County, the Board of Directors desires to allow the continuation of teleconference meetings.

5. Teleconference Meetings. Due to the proclaimed State of Emergency and the state and local recommended measures to promote social distancing, the StanRTA Board of Directors finds the StanRTA Board may conduct their meetings, whether regular or special, without complying with Government Code section 54953(b)(3), as authorized by Government Code section 54953(e)(1), and shall comply with the requirements to provide public access to the meetings as set forth in Government Code section 54953(e)(2).
