My local jurisdiction has a Pavement Management System.

The proposed STBGP projects are on the federal-aid roadway system, a requirement of STBGP eligibility.

My local jurisdiction will be the lead and implementing agency and is committed to project delivery in the Federal Fiscal Year identified and compliance to Caltrans LAPM.

My local jurisdiction understands that Toll Credits are not a guarantee, and therefore any changes in Toll Credit Policies prior to the Request for Authorization (RFA) will impact the project programming.
